PETITIONER'S COMMENTS

Please accept these comments as restated below from  
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public  
interest would be served by allocating Channel 286A to  
Hugo, Oklahoma as that community's first competing FM  
service.<sup>1</sup> Hugo is an incorporated community with a  
population of 5,536 people.<sup>2</sup> Hugo has its own mayor, its  
own schools, fire department, police department, post  
office and a number of local churches. Hugo is a community  
that is certainly deserving of a second local FM service.

---

<sup>1</sup> Station KITX, 95.5 FM & Station KIHN 1340 AM are licensed to Hugo,  
Oklahoma.

<sup>2</sup> U.S. Census 2000

"Local radio stations play an important role in their communities, providing local news, information and entertainment to residents, and generally serving as good corporate citizens in the local community life. This is particularly true in smaller towns where the radio stations are limited in number. Yet there are still rural areas of our country that do not have even a local radio station."<sup>3</sup> The proposed channel 286A will provide additional diversity and an outlet for local self-expression to Hugo residents and therefore is in the public interest.

Should this petition be granted and Channel 286A is allotted to Hugo, Oklahoma, Petitioner will apply for Channel 286A at Hugo and after it is authorized, will promptly construct the new facility. Furthermore, should the Commission authorize Channel 286A at Hugo, Oklahoma, and eventually proceed to auction, I hereby certify that it is my full intention to apply to participate in that auction of Channel 286A allotment at Hugo specified in my petition and also specified in my Form 301 for this Channel which I have filed electronically simultaneous with this Petition for Rule Making.

The factual information provided in these Petitioner's
